

Setting up Application Environment

Create IBM Cloud Account

Step 1. Navigate to ibm.com/academic and register with your smartinternz mail

The image shows two screenshots of a web browser. The top screenshot is the IBM SkillsBuild Software Downloads page. It features a large header image of a group of people sitting on a curved brick wall, some using laptops. The text on the page reads: "IBM SkillsBuild Software Downloads", "Harness the power of IBM. Get easy no-charge access to the tools you need to develop the next great thing. Enjoy powerful technical and strategic resources from IBM. Jump right in with access to powerful services and the most prominent open-source computer technologies, or take advantage of hands-on resources that will teach you about data science, artificial intelligence, security and more." Below this text are two buttons: "Already registered? Log in" and "Register now". The bottom screenshot shows the registration form on the same page. It has a heading "Enter your academic institution issued email to begin" and a subtext: "Only the students and faculty of participating academic institutions are eligible to access this website. Please enter your academic institution issued email below to register." There is a text input field containing the email address "811319104025@smartinternz.com". Below the input field is a link: "Find answers in our frequently asked questions". At the bottom of the form is a blue "Submit" button. The browser's address bar shows "academic.ibm.com/a2mt/email-auth". The Windows taskbar at the bottom of the second screenshot shows the time as 06:46 PM on 27-10-2022.
